The baskets are made of plastic which is resistant to both heat and chemicals. Withstands temperatures of up to 95° C. Outer dimensions 500x500x97 mm. Inner dimensions 464x464x69 mm.

Type BLG

BLUE DISHWASHING BASKET (glass basket) Designed for glasses, cups, canteens etc. The wide-mesh bottom grate permits maximum rinsing from below.

Weight 1210 g. Capacity: 36 standard glasses

Part No.	Model
9-9014	Dishwashing basket BLG
9-9014K	Dishwashing basket BLG, packs of 10

Type BRB

BROWN DISHWASHING BASKET (cutlery basket). Designed for cutlery, light cups and glasses. The fine-mesh bottom prevents the cutlery from falling through.

Weight 1430 g. Capacity: approx 250 pieces of cutlery

Part No.	Model
9-9013	Dishwashing basket BRB
9-9013K	Dishwashing basket, packs of 10

Type GUT

YELLOW DISHWASHING BASKET (plate basket). Designed for plates, saucers, side plates, trays etc. The basket is not suitable for deep plates since the plates lie at an unfavourable angle for dishwashing.

Weight 1480 g. Capacity: 18 plates or 27 saucers.

Part No.	Model
9-9011	Dishwashing basket GUT
9-9011K	Dishwashing basket GUT, packs of 10

Type GRT

GREEN DISHWASHING BASKET (basket for deep plates). Designed for large, deep plates and large, flat trays etc. The basket allows deep plates to stand at the correct angle for dishwashing. The basket can be used for cups and saucers together but it is not suitable for saucers and side plates on their own.

Weight 1430 g Capacity: 16 deep or 18 flat plates.

Part No.	Model
9-9012	Dishwashing basket GRT
9-9012K	Dishwashing basket GRT, packs of 10
